Lace up for the 2012 MS Walk and help change

lives for the better – beginning right where you live. Your participation will help fund innovative programs and services in your own community – and support groundbreaking research dedicated to finding a cure. Multiple sclerosis is an unpredictable illness – affecting vision, hearing, memory, balance and mobility. Canada has one of the highest rates of MS in the world. That's why every step matters so much to those we love.

MAISONNEUVE PARK

4601 Sherbrooke Street Est, Montreal
Viau Metro

5 AND 10 KM ROUTES

Wheelchair-accessible

PROGRAM OF THE DAY

- 8:30 a.m. Walkers hand in pledges and last-minute registration
- 10:00 a.m. Walk kick-off
- 12:00 p.m. Entertainment and lunch at the finish line

HONORARY CHAIR

Danielle Danault, President, Cardio Plein Air

« Give people living with multiple sclerosis some encouragement and walk to promote the discovery of a cure. We look forward to seeing you next April 29! »
